Medical Provider Electronic Data Interchange (EDI) Forms

Dear Medical Provider:

Modivcare offers TripCare, a secured web portal, designed to allow medical facilities to request trips and standing orders from Modivcare electronically. Modivcare will provide two (or more upon request) administrative logins to TripCare for each medical facility. The medical facility administrators are required to manage access to TripCare for all other users at their facility. To use TripCare, you must register with our Facilities department. The attached user forms must be filled out, signed and faxed to the Modivcare Facility department you normally work with to request transportation services. The Modivcare Facility department will call or fax the TripCare user login information to the user. Once your administrative users are setup, those users can create additional logins for other employees at your facility as needed.
