Getting you to your appointments has always been an important first step in managing your healthcare, and we want to ensure you've got the rides to get you there—safely and on time. Through our partnership with Modivcare, the nation's leading provider of non-emergency medical transportation, you can now easily visit your doctor, get necessary treatments, or pick up your prescriptions!

Modivcare's mission is to eliminate barriers to healthcare access, connecting you with suitable transportation solutions, whether it's through its specialized transportation providers, ride-sharing services, public transit, or pay per mile. Your transportation benefit is at no cost to you through <Plan Name>.

You can book rides on the Modivcare app available on the Apple App Store or Google Play. To learn more, visit <insert plan website> or contact us at <XXX-XXX-XXXX> or visit www.modivcare.com
