Modivcare's mission is to eliminate barrier to your healthcare access – meeting you when and where you need us.

We connect <<Plan Name>> members with suitable transportation solutions, whether it's through our specialized transportation providers, ride-sharing services, public transit, or pay per mile. We leverage our vast network to provide this essential benefit for those who need assistance getting to and from their medical appointments.

Our services encompass transportation to various facilities, including:

- physician offices
- diagnostic centers
- residential facilities
- dialysis centers
- hospitals
- dental clinics
- mental health clinics
- substance use disorder clinics
- pharmacies

Modivcare has been providing vital transportation services since 1996. We have since completed more than 30 million trips and serve and manage more than 36 million lives. As the nation's leading provider of non-emergency medical transportation, we make sure members, like you, have the best transportation experience tailored to each of your individualized transportation needs.

Our transportation benefit is at no cost to you through <<Plan Name>>. We want to make it easy for you to see your doctor, get necessary treatments, or pick up your prescriptions. Contact <<Plan Name>> for more plan benefit information.
