modivcare

Booking a ride for your next visit to the doctor is easy with the Modivcare App

The Modivcare App comes in English, Spanish, Cantonese, and Mandarin.

Download on the App Store

ANDROID APP ON Google play

The Modivcare App helps you schedule non-emergency medical rides from a smartphone at any time. With the app you can:

- Schedule, reschedule, or cancel a ride
- Submit a pay-per-mile claim and get paid for your miles driven
- Locate your driver
- Manage rides for more than one member

Start using the Modivcare App today to make getting rides easier!

There are three ways you can download and install the app on your smartphone:

1. Search for Modivcare on the Apple AppStore® or Google Play® Store

2. Scan the QR code on the bottom of this paper

3. Visit **modivcare.app** to find a link to download

Scan the QR code to watch videos and learn more about how to use the app.

Internet connection is required. Verify website before entering your information.
