

Trip Management for Healthcare Facilities

Our innovative transportation solutions get members to and from your healthcare facilities conveniently, efficiently, and affordably.

Modivcare is an extension of your care team:

- Fewer missed appointments and scheduling mishaps through outreach and communication
- Members with recurring trips will be assigned with the same transportation provider to build trust and satisfaction
- Standing order eligibility is verified on a routine basis so that scheduling recurring trips is easy

Get started with
Modivcare's
TripCare web
application today!

A screenshot of the Modivcare TripCare web application. The interface includes a navigation bar with links for Dashboard, Request Trip, Standing Orders, and User Admin. The main section is titled "Request Trip" and prompts the user to "Please select a member for this trip". Below this is a "My Members" section with a search bar and a list of members: DOE, JANE (VV64270127), HAPPY, MEMBER (R41180760), JONES, INDIANA (571948230), and MOUSE, MICKEY (N67554757). To the right, there is a "Member Relationship: Doctor" dropdown and a "Member Details" section with fields for Last Name, Member ID, and Select Insurance. At the bottom right, there are buttons for "ADD TO MY MEMBERS" and "SINGLE TRIP".
