Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal. Every year, Medicare evaluates plans based on a 5-star rating system. Out-of-network/non-contacted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of network services. Value-Added Items and Services (VAIS) are not plan benefits and are not covered by the plan. Plan enrollees are responsible for all costs.
