modivcare

# Booking a ride to your doctor is easy with the Modivcare App

The Modivcare App comes in English, Spanish, Cantonese, Polish, Russian, and Mandarin.

Download on the App Store

ANDROID APP ON Google play

With the Modivcare App, you can book non-emergency medical rides from a smartphone. With the app you can:

- Book, change, or cancel a ride
- Submit a claim and get money for the miles you drive
- See where your driver is
- Manage rides for more than one member

Start today! The app makes getting a ride easy!

There are three ways you can get the app on your smartphone:

1. Search for Modivcare on the Apple AppStore® or Google Play® Store
2. Scan the QR code below
3. Visit **modivcare.app**

Scan the QR code to learn more about how to use the app.

You need internet to use the app.
