

You've built a successful company, and focusing on your current and future customers leaves less time to buy, maintain, and sell vehicles. Unfortunately, making fleet decisions under pressure can result in paying more than you want and getting less of your business's needs.

*You can trust Holman Small Business Solutions to make your fleet more productive, predictable, and profitable while you drive your business forward.*

### OUR FLEET SOLUTIONS HELP COMPANIES LIKE YOURS

#### FIND VEHICLES

- Choose the sourcing method that aligns with your timing and budget
- Find a vehicle in dealer inventory, choose a pool unit with upfitting, or factory order
- Deploy vehicles that align with your needs and lower your total cost of ownership

#### FUND VEHICLES

- Decrease monthly payments and increase cash flow
- Get pre-approved for funding that aligns with your ownership goals
- Avoid penalties for excess mileage and vehicle damage
- Refinance your existing vehicles to leverage equity and infuse cash into your business

#### MANAGE VEHICLES

- Standardize how you maintain, fuel, and monitor your vehicle spend
- Gain peace of mind about repair costs and spend less time managing vendors
- Avoid overspending on fuel and stop fraudulent purchasing activity
- Pay one invoice inclusive of lease, fuel, and maintenance charges and review digital fleet spending reports

#### SELL OR TRADE VEHICLES

- Choose a sale method that maximizes equity or minimizes time to sell
- Get a fast quote to sell us your vehicle immediately
- Consign your vehicle with us to gain access to an international buying audience
